

Greater Christchurch Partnership Committee

Meeting summary

Wednesday 27 November 2019

The vision for Greater Christchurch

By the year 2041, Greater Christchurch has a vibrant inner city and suburban centres surrounded by thriving rural communities and towns, connected by efficient and sustainable infrastructure.

There are a wealth of public spaces ranging from bustling inner city streets to expansive open spaces and parks, which embrace natural systems, landscapes and heritage.

Innovative businesses are welcome and can thrive supported by a wide range of attractive facilities and opportunities.

Prosperous communities can enjoy a variety of lifestyles in good health and safety, enriched by the diversity of cultures and the beautiful environment of Greater Christchurch.

Greater Christchurch Partnership Committee

The Greater Christchurch Partnership is a voluntary coalition of local government, iwi, health and government agencies working collaboratively for the prosperity of Greater Christchurch.

The Greater Christchurch Partnership Committee leads and coordinates the work of the Partnership.

One of the key functions of the Committee is to establish an agreed strategic framework to manage growth, and address urban development, regeneration, resilience and wellbeing matters for Greater Christchurch.

On significant matters the Committee seeks ratification from each of the individual partner governance meetings.

The Committee met on 27 November 2019.
