

# Greater Christchurch Partnership Committee

## Meeting summary Friday 14 February 2020

### The vision for Greater Christchurch

By the year 2041, Greater Christchurch has a vibrant inner city and suburban centres surrounded by thriving rural communities and towns, connected by efficient and sustainable infrastructure.

There are a wealth of public spaces ranging from bustling inner city streets to expansive open spaces and parks, which embrace natural systems, landscapes and heritage.

Innovative businesses are welcome and can thrive supported by a wide range of attractive facilities and opportunities.

Prosperous communities can enjoy a variety of lifestyles in good health and safety, enriched by the diversity of cultures and the beautiful environment of Greater Christchurch.

### Greater Christchurch Partnership Committee

The Greater Christchurch Partnership is a voluntary coalition of local government, iwi, health and government agencies working collaboratively for the prosperity of Greater Christchurch.

The Greater Christchurch Partnership Committee leads and coordinates the work of the Partnership.

One of the key functions of the Committee is to establish an agreed strategic framework to manage growth, and address urban development, regeneration, resilience and wellbeing matters for Greater Christchurch.

On significant matters the Committee seeks ratification from each of the individual partner governance meetings.

### The Committee met on 14 February 2020

The Greater Christchurch Partnership Committee:

- Received a report that outlined the purpose behind the preparation of a Mode Shift Plan for Greater Christchurch. The Plan will support the case for further transport investment in Greater Christchurch by:
  - combining the travel demand elements of current transport work
  - helping to inform the next Regional Land Transport Plan
  - supporting better integrating transport planning and urban form

The Committee agreed that a draft Plan be presented to the Committee for endorsement later this year to provide a clear and succinct case for further transport investment in Greater Christchurch to support mode shift.

- Received a roadmap/timeline of key processes occurring during 2020 and 2021 to assist integration and decision-making by the Partnership.
- Following the formal meeting, a combined Greater Christchurch Partnership Committee and Chief Executives Advisory Group workshop was held on the Greater Christchurch Strategic Framework 2050. The purpose of the workshop was to identify strengths and challenges facing Greater Christchurch and define these into potential areas of focus.
- The Committee is next scheduled to meet on 13 March 2020.
