

The vision for Greater Christchurch

By the year 2041, Greater Christchurch has a vibrant inner city and suburban centres surrounded by thriving rural communities and towns, connected by efficient and sustainable infrastructure. There are a wealth of public spaces ranging from bustling inner city streets to expansive open spaces and parks, which embrace natural systems, landscapes and heritage. Innovative businesses are welcome and can thrive supported by a wide range of attractive facilities and opportunities. Prosperous communities can enjoy a variety of lifestyles in good health and safety, enriched by the diversity of cultures and the beautiful environment of Greater Christchurch.

Greater Christchurch Partnership Committee

The Committee governs and leads the partnership. It is a formal joint committee established under the Local Government Act 2002.

A key focus of the Committee is to oversee implementation of the Greater Christchurch Urban Development Strategy and the priority actions contained therein. The Committee also recently adopted the Resilient Greater Christchurch Plan.

On significant matters the Committee seeks ratification from each of the individual partner governance meetings.

It is supported by regular meetings of the Chief Executives Advisory Group ('CEAG').

Committee Update – November 2017

The Committee met on 3 November 2017.

Key points from the meeting are:

- The Committee received the Draft Canterbury Spaces and Places Plan. This plan provides strategic direction for the planning and regeneration of sports facilities throughout the region. The Committee agreed that the Chief Executives Advisory Group (CEAG) work with Sports Canterbury in how the Plan can be advanced, including appropriate implementation and funding arrangements at a Greater Christchurch and Canterbury level. The draft plan will now be circulated to the sport sectors for comment.
- The Committee received the Urban Development Indicators – second quarterly monitoring report (March to June 2017). This report forms part of the work to undertake a Settlement Pattern review. This report includes an additional measure for housing affordability which estimates the affordability for a couple to buy home at the lower quartile price.
- The Committee received the monthly Urban Development and Regeneration Update which can be accessed at: <http://www.greaterchristchurch.org.nz/progress/ud-and-r-updates>.
- Prior to the meeting there was a pre-Committee briefing on the Christchurch Flights Paths Trial and a short workshop on urban form matters to inform future CEAG advice to be provided to the Committee to advance the Settlement Pattern Review.
- The next meeting of the Committee is to be rescheduled to Friday 15 December 2017.
