

The vision for Greater Christchurch

By the year 2041, Greater Christchurch has a vibrant inner city and suburban centres surrounded by thriving rural communities and towns, connected by efficient and sustainable infrastructure. There are a wealth of public spaces ranging from bustling inner city streets to expansive open spaces and parks, which embrace natural systems, landscapes and heritage. Innovative businesses are welcome and can thrive supported by a wide range of attractive facilities and opportunities. Prosperous communities can enjoy a variety of lifestyles in good health and safety, enriched by the diversity of cultures and the beautiful environment of Greater Christchurch.

Greater Christchurch Partnership Committee

The Committee governs and leads the partnership. It is a formal joint committee established under the Local Government Act 2002.

A key focus of the Committee is to oversee implementation of the Greater Christchurch Urban Development Strategy and the priority actions contained therein. The Committee also recently adopted the Resilient Greater Christchurch Plan.

On significant matters the Committee seeks ratification from each of the individual partner governance meetings.

It is supported by regular meetings of the Chief Executives Advisory Group ('CEAG').

Update from the

Greater Christchurch Partnership Committee

July 2017

The Committee met on 7 July 2017.

Key points from the meeting are:

- § The Committee endorsed the first Urban Development Indicators quarterly monitoring report to comply with the requirements of the National Policy Statement on Urban Development Capacity. The report cover a range of housing and business market indicators including:
 - prices and rents for housing, residential land and business land by location and type; and changes in these prices and rents over time;
 - the number of resource consents and building consents granted for urban development relative to the growth in population; and
 - indicators of housing affordability.
- § The Committee also received a summary of the progress made against each of the recommendations contained in a paper prepared by the previous Committee prior to the current triennium. The recommendations have largely all been acted upon, including reviewing the Committee's Memorandum of Agreement, adopting a Regeneration Protocol and a renewed Communications Protocol, commencing a settlement pattern review as the first phase of a strategy review, and re-appointing the Independent Chair for a further period.
- § The next meeting of the Committee will be held on Friday 4 August 2017.
