

BEFORE THE HEARING PANEL

UNDER Part 6 of the Local Government Act 2002

AND

IN THE MATTER of hearings on Our Space: Greater Christchurch
Settlement Pattern Update 2018-2048

MINUTE 3 OF THE HEARING PANEL

Dated 11 March 2019

Introduction

- 1 In our Minute 2, we requested that the authors of the Officers' Report respond to a number of questions from the Hearing Panel following the hearing of submissions. We heard from Officers who presented their responses to us this morning and we are grateful for the work that has been done in preparation of that response.
- 2 We are mindful that *Our Space* is a collaborative document of the Greater Christchurch Partnership and that differing views have been expressed on behalf of the local authority partners in relation to some of the key issues for our consideration. These views have been expressed through written comments by Selwyn and Waimakariri District Council staff and the submission lodged by Christchurch City Council (**CCC**).
- 3 In light of submitter presentations and the final recommendations of Officers in response to our questions, we would like to understand whether these differing views remain.

Joint Statement

- 4 We request that the Chief Executives of each of the local authority partners liaise, and if possible, produce a Joint Statement that records their views on the Officer recommendations and where there is a difference of views, identifies how those outstanding matters may be addressed, for example, through further workstreams or other actions.
- 5 We would be assisted if those Chief Executives who are available could present that Joint Statement to us in the afternoon of Monday 11, March 2019 or during the morning of 12 March 2019. The Panel will accommodate the Chief Executives' availability.
- 6 This will be a public session in Committee Room 1, Christchurch City Council Civic Offices, 53 Hereford Street, Christchurch and submitters are welcome to attend.
